Sir,

I herein enclose copies of correspondence on the subject and request that Government will be pleased to accord necessary sanction for the transfer of land from the Agricultural Department to this Department.

2-7-43.

Director of Public Health, Madras.

Copy of this letter R.No.10497-2-Mal/43 d/8-7-43 addressed to the Director of Agriculture, Madras.

It is proposed to construct a fish nursery at Sirugupa. The Agricultural farm at Sirugupa which is provided with all the facilities is the best suited place for the purpose. Space measuring about 5 cents required for the hatchery and for carrying out entomological experiments when needed is stated to be available. The Agronomist in charge of the farm is reported to have no objection to the fish hatchery being constructed in the farm. I therefore request that you will kindly accord permission for the use of a plot about 5 cents in area within the above farm for the purposes stated above. --------

Please see the reference from the D.P.H. on pages 1-2 ante and the notes of ~~the~~ D.P.H and Devt. Depts. on p. 2 ante.

From the precedents put up below, it is seen that orders are issued in Rev. Dept. only in regard to ~~the~~ the transfer of lands which are under their control. In this case, the land ~~belongs to~~ is now in charge of the Agricultural Dept. and it appears proper that ~~the~~ orders transferring the land to the Public Health Dept. are issued in the Devt. Dept. With these remarks, the file may be returned to Devt. Dept. w.o.

The precedents do not show that such orders as proposed do not require the sanction of Govt.
